

What happens when she inherits your company?

Poor planning can result in ill-suited personnel in the company boardroom.

Unless you feel confident that your child will be able to run your business as well as you do, you should give some thought about what will happen to your business if something happens to you.

With a well-structured buy-sell agreement, you can plan for the continued success of your business, ensure that proper management is in place, and pave the way for appropriate financial settlements.
